ADDITIONAL COURSE POLICIES/INFORMATION

Student's Responsibility:

This syllabus contains information, policies, and procedures for a specific course. By enrolling, the student agrees to read, understand, and abide by the rules, policies, regulations, and ethical standards of Lamar Institute of Technology as those contained in the current LIT Catalog and schedule of classes.

Instructor's Responsibility:

In my pedagogy, I will be straightforward and honest with students, offering a legitimate reason for delays and alterations to the syllabus, assignment, or schedule. I will be professional and cordial in personal interactions; I will not embarrass or disparage you on discussion forums and in-person. I will be positive and encourage students, as I would like to commend you for what you know, not penalize you for what you do not.

Professor Communication:

I have set aside three hours per week solely to meet with students, and will be in my virtual office during those hours awaiting you. In addition, I am (almost) always available via e-mail, or by appointment, if you would like to be in touch during non-office hours.

Late Work:

Late assignments will be accepted with a deduction as a late penalty (10 pts). Students receive a '0' for assignments not completed.
